Online Privacy Training Program

Designed for businesses, NGOs and government agencies anywhere in Australia

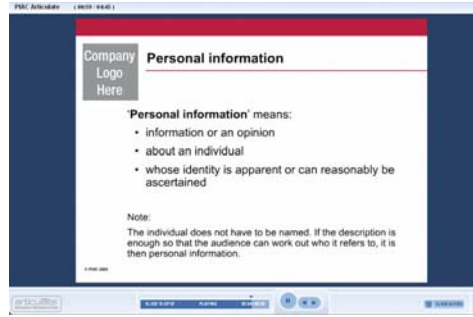

The online version of our highly regarded privacy awareness training program means you can roll out privacy training to all staff across your organisation for a fraction of the cost of face-to-face training.

With online training you have:

- flexibility of timing
- flexibility of location
- a module suitable for new staff induction, and
- the ability to monitor staff completion rates and their performance.

Fast, fun and effective – our privacy training program features:

- content developed by the market leaders in privacy training and advice
- clear explanations and visual aides
- integrated quizzes; mix of quiz styles
- comprehensive randomised assessment on completion
- presentation runs in web browser on your intranet
- takes about an hour to complete

We customise the online training program:

- slides are branded using your name, logo, preferred colours or slide templates
- content can include your in-house privacy policies, special exemptions or the contact details of your Privacy Officer

Our online privacy training program has a straight-forward fee structure, with a one-off payment covering your whole organisation, with no time or use limitations.

The fee for the online privacy training program depends on the size of your organisation:

- less than 50 staff: \$5,500
- 50 to 250 staff: \$11,000
- 251 to 1,000 staff: \$16,500
- more than 1,000 staff: \$22,000

Publication 'Conducting Workplace Surveillance'

Designed for all NSW employers

Every employer in NSW needs to comply with laws restricting workplace surveillance – whether you use email or internet monitoring, CCTV cameras, GPS-enabled vehicles...

This practical, 40-page guide to your obligations under the NSW Workplace Surveillance Act includes:

- a clear and concise explanation of what you can and can't do
- answers to 37 'frequently asked questions'
- tips and examples to illustrate how the law works in practice
- template forms
- a checklist and flowchart to guide you through every step along the way

Publication 'PPIPA in Practice'

Designed for NSW public sector agencies

All the hard work has been done for you! PPIPA in Practice is a fully annotated guide to the Privacy and Personal Information Protection Act 1998 (NSW). 'PPIPA' is the key Act that applies to State government agencies and local councils in NSW.
